

[RESEARCHER_FULLNAME] (the "Researcher") has requested permission to use **the Annotated Thermal Infrared Face** (the "Database") at **the Institute of Imaging and Computer Vision, RWTH Aachen University** (the "Institute"). In exchange for such permission, the Researcher hereby agrees to the following terms and conditions:

- The Researcher shall use the Database only for non-commercial research and educational purposes. The Researcher agrees not to reproduce, duplicate, copy, sell, trade, resell or exploit for any commercial purposes, any portion of the database and any portion of derived data.
- The Institute makes no representations or warranties regarding the Database, including but not limited to warranties of non-infringement or fitness for a particular purpose.
- The Researcher accepts full responsibility for his or her use of the Database and shall defend and indemnify the Institute, including their employees, Trustees, officers and agents, against any and all claims arising from Researcher's use of the Database, including but not limited to Researcher's use of any copies of copyrighted images that he or she may create from the Database.
- The Researcher may provide research associates and colleagues with access to the Database provided that they first agree to be bound by these terms and conditions. Beyond this, the Researcher agrees not to further copy, publish or distribute any portion of the dataset.
- The Institute reserves the right to terminate Researcher's access to the Database at any time.
- If the Researcher is employed by a for-profit, commercial entity, the Researcher's employer shall also be bound by these terms and conditions, and the Researcher hereby represents that he or she is fully authorized to enter into this agreement on behalf of such employer.
- If the database is used in a scientific manuscript, the Researcher agrees to citing the following publication in the manuscript:
 - @article{KCZ18h,
 - title = {A Thermal Infrared Face Database With Facial Landmarks and Emotion Labels},
 - year = {2019},
 - journal = {IEEE Transactions on Instrumentation and Measurement},
 - pages = {1-13},
 - doi = {10.1109/TIM.2018.2884364},
 - issn = {0018-9456},
 - author = {Marcin Kopaczka and Raphael Kolk and Justus Schock and Felix Burkhard and Dorit Merhof}}
- The laws of the Federal Republic of Germany shall apply to all disputes under this agreement.
